Background on CT BOS

The CT BOS CoC is responsible for overseeing approximately $35 million in annual funding from the Department of Housing and Urban Development (HUD) for over 100 projects serving homeless people. CT BOS is comprised of representatives from organizations that fund or provide services to homeless people or otherwise represent the interests of the people who have experienced homelessness. The following localities throughout the state participate in the CoC: all of the cities and towns in the counties of Hartford, Litchfield, New Haven, New London, Windham, Tolland, Middlesex and the City of Danbury*.

* The City of Danbury will be joining the ODFC CoC over the course of the next year.
