

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** Yes

**Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.**

The Greater Hartford Rental Assistance project had some funds recaptured by HUD during the most recent expired grant term. The recaptured funds were due to the tenants having income and thus paying a higher tenant portion of the rent, as well as and the project's ability to help tenants locate housing that is affordable. The experienced housing coordinators negotiate favorable rents with landlords. In the past, the project was able to go over capacity and house additional families. In an effort to stay close to expending all funds, we were not able to predict all tenant income increases and some departures from the program, although we house new participants as quickly as possible. We will continue to monitor expenditures for this grant and will continue to house additional CH people as funding allows.

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? **Yes**  
If "No" click on "Next" or "Save & Next" below to move to the next screen.

2. Is this an individual project application or a fully consolidated project application? **Individual**

Click on "Save & Next" to continue completing the remainder of this project application as if the consolidation will be denied by HUD and this individual project application will be assessed for FY 2018 funding.

### 3B. Project Description

**1. Provide a description that addresses the entire scope of the proposed project.**

The Greater Hartford Rental Assistance program is conducted by the Capitol Region Mental Health Center, a lead behavioral health authority of the DMHAS. This grant previously included a legacy 1993 grant of 156 certificates, the 2003 Family Grant of 15 certificates, the 2006 Shelter Plus Care grant of 7 certificates the 2012 grant of 10 certificates, as well as the 2013 grant of 11 CH certificates. This grant will continue serving 200 individuals & families who have experienced homelessness and are disabled. This year we are seeking to merge a 2016 TRA grant into this project, which will be the surviving grant. There is a critical community need for PSH to serve CH persons in the region. This project follows HUD Notice CPD-14-012 to prioritize serving CH persons w/the longest history of homelessness & most severe service needs in order. The Greater Hartford Coordinated Access Network (GH CAN) is part of the statewide Coordinated Entry System (CES), coordinating outreach to unsheltered & sheltered people, determining priority based on length of homelessness & vulnerability, using common assessment tool. Full range of behavioral health services are provided by the Applicant. Case management services staff work with participants to identify strengths, goals & issues, develop individualized service plan to meet specific goals and growth targets. Behavioral health care services address disability issues & domestic violence recovery plans. This Applicant, DHMAS, has many contracts with non-partners. The program also provides assessment of service needs, education services, employment assistance, food, housing search & counseling services, life skills training & transportation. The project relies on HUD funds to support activities that cannot be funded through mainstream sources; HUD CoC funds are needed to make this project possible, help end chronic homelessness in CT BOS CoC. Outreach is conducted by PATH staff, Housing Outreach Teams, & in all shelters . All non-partners work closely with the DMHAS to ensure tenants are connected to mental health services (both state & Medicaid funded) & providers make referrals to health centers, substance use treatment, food pantries, transportation, employment, education & other services. This project has SOAR affiliation to help connect with benefits. This project follows Housing First, provides housing quickly w/o barriers such as income, sobriety, or service participation requirements. The GHRA program's experienced housing coordinators inspect apartments, confirm leases & generate proper tenant rent portion calculations. Performance goals for the program are to for over 90% of participants to retain housing for over 6 months to exit to permanent destinations, & for 90% of those over 18 years to maintain or increase income.

- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;

- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b.
