

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

MEMORANDUM OF UNDERSTANDING
Generations Family Health Care and Windham Regional Community Council, Inc.

The purpose of this Memorandum of Understanding is to encourage cooperation between Generations Family Health Care and Windham Regional Community Council, Inc.'s (WRCC) Permanent Supportive Housing Program Haven and to describe the roles and responsibilities of each party.

Haven is a permanent supportive housing program employing the Housing First Model, located at 872 Main Street, Willimantic, CT which offers immediate access to housing without prerequisites of sobriety, lack of criminal history, income or other factors that contribute to homelessness. Participants have leases in their own name and have the same tenancy rights as others in the community. Haven serves 15 chronically homeless disabled individuals. All participants meet HUD's definition of chronic homelessness and are from emergency shelters or places not meant for human habitation. Disabilities participants have include mental illness and chronic addiction. Haven identifies eligible applicants through the Northeast Coordinated Access Network (CAN). WRCC participates in the HMIS system to document all required information. All participants are expected to pay monthly rent equivalent of no more than 30% of the household income. Haven is part of a CoC as these funds support the financial viability of this project by providing leasing and support service dollars.

Haven staff perform outreach housing placement and service plans for all participants and provide ongoing supportive services to participants throughout their tenure in the program. Support services include but are not limited to: assessment of service needs, case management, housing search and counseling services, life skills training, education services, transportation, assistance completing forms for state and federal benefits, assistance obtaining and maintaining successful landlord/tenant relationships. Participants with substance abuse and/or mental health needs will be referred to agencies including but not limited to United Services, Inc., Perception Programs, Inc., Natchaug Hospital, and Generations Family Health Center.

Generations agrees to donate in-kind primary and preventative health care and dental services to clients in WRCC's Haven program. Generation's federal Health Care for the Homeless program provides a continuum of health care services to homeless individuals residing in shelters, transitional housing and the street. The Health Care for Homeless program serves as a primary referral source for WRCC's Haven program to link them with a medical home.

Generations expects to provide an approximate total of \$30,000 in in-kind funds for the Haven program. We anticipate these services to be available on July 1, 2019.

All parties agree to advise one another of pertinent matters in the delivery of services and understand that each is bound by confidentiality standards regarding the exchange of program participant information. Appropriate releases will be secured when confidential client information needs to be shared.

There shall be no discrimination of any person or group of persons on account of race, color, creed, religion, sex, marital status, sexual orientation, age, handicap, ancestry or national origin in the delivery of services or operation of the project.
