Reminder Millions of Americans who don't usually file a tax return can use the **Non-Filers tool** until Oct. 15 to receive their **Economic Impact Payment**.

The free **Non-Filers tool** is designed for eligible people who aren't normally required to file a tax return. Usually, this means people with incomes:

› Below $24,400 for married couples who would file jointly
› Below $12,200 for singles

This includes couples and individuals who are experiencing homelessness, low-income workers, people with no income, non-dependent students, the unbanked and others. People can qualify for a payment even if they do not have earned income or work.

Usually, married couples filing jointly qualify to receive a $2,400 payment while others normally qualify to receive $1,200. Eligible individuals will receive up to an additional $500 for each qualifying child.

How do I use the Non-Filers: Enter Payment Info Here tool?

For those who are not required to file a tax return, the process is simple and only takes a few minutes.

› First, visit **IRS.gov**, and click "**Non-Filers: Enter Payment Info Here**."
› Then provide basic information including Social Security number, name, a mailing address where you can receive the payment and confirmation letter and information about qualifying children. Individuals must have a work eligible Social Security number.
› The IRS will use this information to confirm eligibility, calculate and send an Economic Impact Payment. No tax will be due as a result of receiving the payment.
› Entering bank or financial account information will allow the IRS to quickly deposit the payment directly in a savings or checking account. Otherwise, the payment will be mailed.

Non-Filers: Enter Payment Info Here is secure and the information entered will be safe. The tool is based on Free File Fillable Forms.

Do not use the Non-Filers tool if you have or plan to file a 2019 tax return, can be claimed as a dependent on someone else's 2019 tax return or received Railroad Retirement, Social Security retirement, disability (SSDI), Supplemental Security Income (SSI) or Veterans benefits in 2019.
