

Before Starting the Project Listings for the CoC Priority Listing

The CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be completed and submitted prior to the CoC Program Competition submission deadline stated in the NOFO.

The CoC Priority Listing includes:

- Reallocation forms – must be completed if the CoC is reallocating eligible renewal projects to create new projects or if a project applicant will transition from an existing component to an eligible new component.

- Project Listings:

- New;
- Renewal;
- UFA Costs;
- CoC Planning;
- YHPD Renewal; and
- YHDP Replacement.
- Attachment Requirement

- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- New and Renewal Project Listings – all project applications must be reviewed, approved and ranked, or rejected based on the local CoC competition process.

- Project applications on the following Project Listings must be approved, they are not ranked per the FY 2021 CoC Program Competition NOFO:

- UFA Costs Project Listing;
- CoC planning Project Listing;
- YHPD Renewal Project Listing; and
- YHDP Replacement Project Listing.
- Collaborative Applicants are responsible for ensuring all project applications accurately appear on the Project Listings and there are no project applications missing from one or more Project Listings.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND ranked BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

This is a voluntary reallocation. The grant recipient notified the CoC in March 2021 that they would relinquish the grant. The CoC began working promptly with the recipient to ensure an orderly close-out and that all tenants would remain housed. The CoC sent an official e-mail to the grant recipient on 10/25/21 confirming the reallocation of the grant.

3. Reallocation - Grant(s) Eliminated Details

Instructions:

Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)**

This project has been in corrective action with the CoC for three years due to poor renewal evaluation performance results and was unable to correct the issues via the CoC's standard corrective action process. In March 2021, the CoC informed the grant recipient that the project would be reallocated, as a result. The recipient requested additional time to correct. Between March and August 2021, the CoC chairs attempted to work with the recipient to make the necessary changes via three meetings and correspondence on multiple occasions. Ultimately, the recipient did not make the needed changes, and on 10/11/21 the CoC Steering Committee voted to reallocate the project. The grant recipient was notified on 10/13/21.

This is a transition grant. Based on a review of gaps and needs, the grant recipient requested reallocation to change the project model from RRH to PSH. The Collaborative Applicant reviewed and confirmed that no more than 50 percent of the funds in the new component project will be for costs of eligible activities under the old component; the CoC consented to the transition of component types; and the new component project meets the standards outlined in Sections III.B.2.w and III.B.2.z of the NOFO. The CoC worked with the grant recipient to submit a new PSH project application and sent an official e-mail to the grant recipient on 10/29/21 confirming the reallocation/transition grant, as per a Steering Committee vote on 9/17/21.

4. Reallocation - Grant(s) Reduced

CoCs reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2021 CoC Program Competition NOFO – may do so by eliminating one or more expiring eligible renewal projects. 4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The grant recipient requested that this project be reduced because there was an excess of available funds. Based on a review of gaps and needs, the grant recipient requested reallocation of the funds to meet a critical gap in the CoC's Coordinated Entry System. This agency may not conduct or sponsor, and a person is not required to respond to, a collection information unless that collection displays a valid OMB control number.

Privacy Act Statement. This form does not collect SSN information. The Department of Housing and Urban Development (HUD) is authorized to collect all the information required by this form under 24 CFR part 91, 24 CFR Part 578, and is authorized by the McKinney-Vento Act, as amended by S. 896 The Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009 (42 U.S.C. 11371 et seq.).
