

Changes to CT BOS Governance Charter

2/4/22

Based on decisions made by the CT BOS Steering Committee as discussed on January 21, 2022 and adopted via electronic vote on February 4, 2022. the following changes have been made to the CT BOS Governance Charter – See page 6.

Amended the section on “CoC Steering Committee Member Selection” to consistently use person-centered language - “Community representatives (i.e., people with lived experience of homelessness)” instead of “consumer” - and to omit the requirement that no CAN region may have more than one Community Representative.
