

CT-HMIS AUTHORIZATION FOR RELEASE OF INFORMATION

Your decision whether to complete this form will not affect your eligibility for benefits, treatment, payment, or enrollment in other services.

- The Connecticut Homelessness Management Information System (CT HMIS) is a shared system. This means that authorized CT HMIS Participating Agencies will enter your information into the CT HMIS database. These participating agencies will have access to the information that is entered into HMIS. Sharing your data allows service providers to see if they have housing services that fit your needs. The type of information collected in the system includes basic identifying information for you and each member of your household (including name, SSN, date of birth, gender, race, ethnicity, household information, phone number, military veteran status, phone numbers, military veteran status, and disability status). The information entered into HMIS may include information regarding your physical and mental health, including history of substance abuse or HIV/AIDs; whether you are currently receiving services or treatment; and about referrals for services and housing by participating agencies.

A list of participating agencies which will have access to your information is attached. To see a list of participating agencies please go to this website: <http://www.cthmis.com/info/detail/general-hmis-info/23> and click the "CT HMIS - List of Participating Agencies" link at the bottom of the page.

Amendments and/or changes are made to this list from time to time. You may request an updated paper copy from The Connecticut Coalition to End Homelessness (860-721-7876) at any time.
