

**CT Balance of State Continuum of Care
Participant Satisfaction Survey Instructions**

Background:

The Connecticut Balance of State Continuum of Care (CT BOS) provides an opportunity each year for people who are receiving housing and/or services from a project funded by CT BOS to complete a satisfaction survey. Surveys along with other data are used to evaluate CT BOS funded projects. Provider agencies are responsible for offering people being served by their CoC funded projects with either a paper version of the survey or a link where a survey that can be completed on-line. Provider agencies are also responsible for collecting paper surveys and either entering those data into Survey Monkey or submitting surveys for data entry to CT BOS. For provider agencies that receive CT Department of Mental Health and Addiction Service (DMHAS) funding, DMHAS will provide the DMHAS consumer surveys directly to BOS and provider agencies do not need to submit those to BOS. Each project receives a report showing their survey results, and the CT BOS Steering Committee reviews a summary report showing combined results for all projects. The summary report is also posted to the [CT BOS Renewal Evaluation](#) webpage.

Instructions for Provider Agencies:

CT BOS sends detailed instructions to all funded projects each year. Please consult these instructions for Survey Monkey links, deadlines, submission instructions and other important details. Please be sure to complete the information in the survey header prior to distributing the survey to participants. To ensure that you are receiving this and other important information from CT BOS, please be sure that all relevant staff have signed up for the “HUD Grantees” or “YHDP” email lists on the [CT BOS website homepage](#). To ensure confidentiality and encourage participants to provide honest feedback, please follow these guidelines:

- Reassure participants that you appreciate their honest feedback and that their responses are confidential.
- Offer participants a choice of completing a paper or on-line survey.
- Offer participants who opt to complete an on-line survey access to the technology needed.
- Offer participants assistance to complete the survey, including the option to get assistance from a different staff person than the person who usually provides their services.
- Offer participants privacy while they complete the survey.
- Make available a drop-box, mail-in option or other means for participants to complete the paper survey anonymously.

Instructions for Project Participants:

Thank you for taking the time to provide important information about the housing assistance and/or support services you receive from a project funded by the US Department of Housing and Urban Development (HUD) through the CT Balance of State Continuum of Care (CT BOS). Survey responses are used by agencies that provide housing and services to make improvements. We appreciate your honest feedback, and your responses are confidential. Please feel free to skip any questions that you do not want to answer. There is a comments section at the end. Feel free to comment on your housing/services, and/or the questions in this survey. We estimate that this survey will take about 10 minutes to complete. If you have any questions about the survey, please contact us at ctboscoc@gmail.com or (917) 449-3918.
