# Overview of 988 Crisis System\*

## Crisis System: Alignment of services toward a common goal

\*This example is for adults, not children. It is expected that 90% of children receive in-person assessments.

Balfour ME, Hahn Stephenson A, Winsky J, & Goldman ML (2020). *Cops, Clinicians, or Both? Collaborative Approaches to Responding to Behavioral Health Emergencies*. Alexandria, VA: National Association of State Mental Health Program Directors. <https://www.nasmhpd.org/sites/default/files/2020paper11.pdf>

# Background Drivers, Federal Perspective

- ▶ Federal legislation mandating the rollout of the 9-8-8 mental health and suicide crisis number by July 2022
  - ▶ Mental health and suicide prevention advocates seeking a national, easy to remember 3-digit number for individuals in crisis take their idea to their state leaders and Members of Congress (including CT)
  - ▶ The National Suicide Hotline Improvement Act, (8/2018) directed the U.S. Federal Communications Commission (FCC) in conjunction with other agencies to study these issues.
  - ▶ August 2019 FCC Commission report to Congress recommending 9-8-8
  - ▶ December 2019 FCC initiates rulemaking to designate 9-8-8
  - ▶ July 2020 FCC Finalizes Rule and Order designating 9-8-8 with a July 2022 deadline for telecom providers to make operational
  - ▶ October 17, 2020 the National Suicide Hotline Designation Act of 2020 (Public Law 116-172) was signed by the President

# Among CT High School Students....

---

## Mental Health

**Students reporting that their mental health was not good** *including stress, depression, and problems with emotions, on at least 1 day in the past 30 days.*

**Student felt sad or hopeless** *almost every day for two weeks or more in a row that they stopped doing some usual activities during the past 12 months.*

**Only 1 in 4** *of these students said they got the help they needed*

# Among CT High School Students....

---

## Suicidal Behavior

**1 in 8** Seriously **considered** attempting suicide *during the past 12 months*

**1 in 15** Actually **attempted** suicide *during the past 12 months*

CT School Health Survey 2019

# Mental Health Among CT Adults...

---

## Frequent Mental Distress

**1 in 9** reported poor mental health 14 days or more in the past 30 days

## Depression

**1 in 6** diagnosed with depression

CT BRFSS 2018

# Mental Health Among CT Adults...

---

## Depressive Episodes

**1 in 12** felt down, depressed or hopeless for more than half the days or nearly everyday in past 2 weeks

## Anxiety

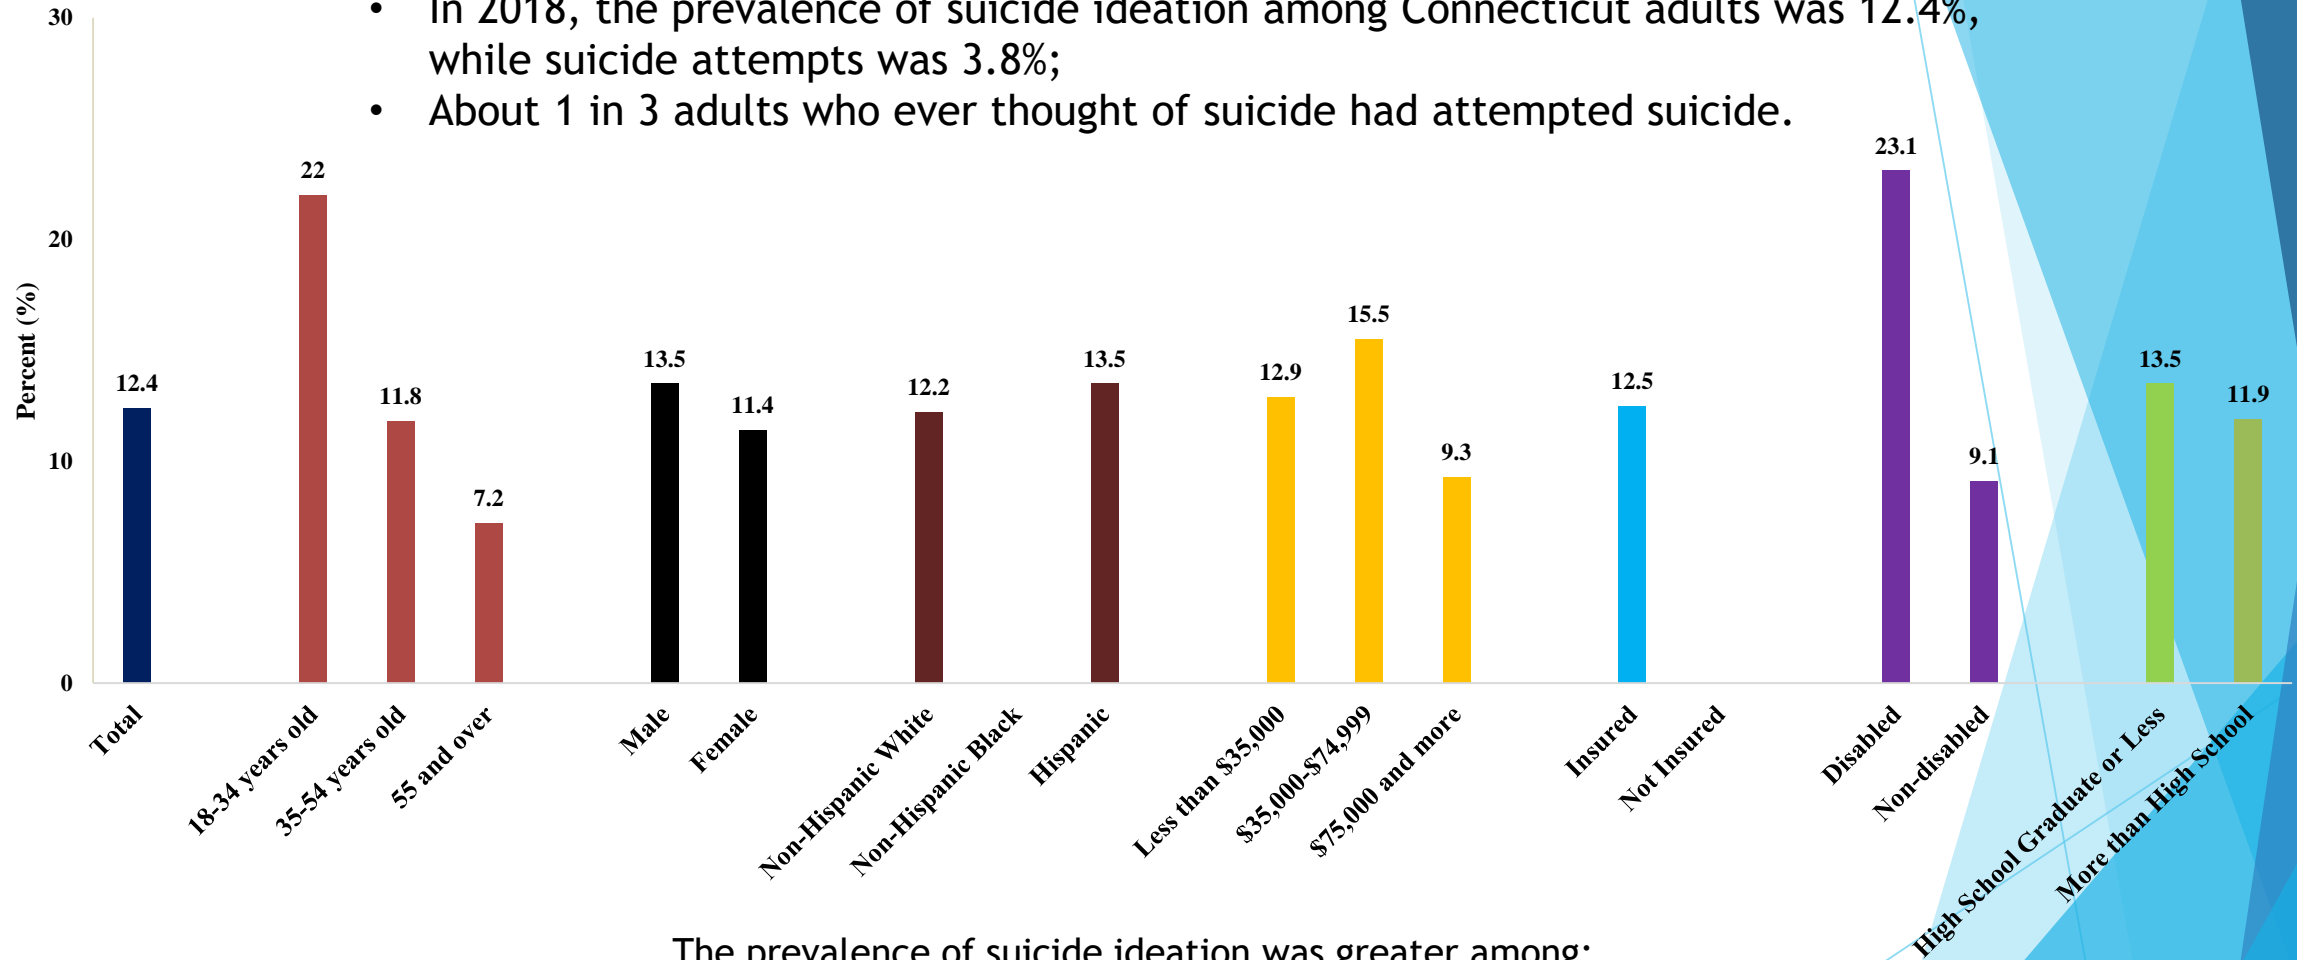

**1 in 9** felt nervous, anxious or on edge for more than half the days or nearly everyday in past 2 weeks

Data Source: CT BRFSS 2018

# Suicide Ideation, CT 2018

- In 2018, the prevalence of suicide ideation among Connecticut adults was 12.4%, while suicide attempts was 3.8%;
- About 1 in 3 adults who ever thought of suicide had attempted suicide.

The prevalence of suicide ideation was greater among:

- Younger adults 18-34 years old;
- Adults with annual incomes \$35,000-\$74,999 (15.5%) compared to adults with incomes at least \$75,000 (9.3%);
- Disabled adults.

# Overview of CT's Crisis Line Services at United Way of CT

2020 = 122,507

-91% diminished crisis on call

-0.15% needed rescue

- ▶ United Way of Connecticut/2-1-1 - free, confidential information, referral and crisis line that connects people to essential health and human services 24/7, 365 online and over the phone.
- ▶ Crisis intervention work for over 40 years. Serve as statewide point of entry for youth mobile crisis program (June 2009), and adult mobile crisis program (ACTION Line) (December 2020).
- ▶ United Way of Connecticut/2-1-1 is the National Suicide Prevention Lifeline (NSPL) provider for CT. Accredited by the Alliance of Information and Referral Systems and the American Association of Suicidology.
- ▶ The 2-1-1 Contact Center follows American Association of Suicidology and Substance Abuse and Mental Health Services (SAMSHA)-approved crisis intervention protocols for non-clinical risk assessment and intervention, referral, safety planning and follow-up.

988

# Adult Crisis Telephone Intervention and Options Network (ACTION Line)

- ▶ Call 211, then press 1 and 2 again when prompted
  - ▶ or 1-800-HOPE-135
- ▶ Centralized call center for adults in crisis
- ▶ United Way of CT 2-1-1
- ▶ Available 24/7, 365 days a year
- ▶ Staff include licensed clinicians, paraprofessionals, an individual with lived experience navigating distress and multilingual staff.

# Adult Crisis Telephone Intervention and Options Network (ACTION Line)

- ▶ ACTION line staff support callers by:
  - ▶ Providing telephonic support
  - ▶ Engaging callers in distress
  - ▶ Completing a non-clinical assessment of concerns and needs
  - ▶ Safety planning
  - ▶ Providing information about community resources & supports of the caller's choice
  - ▶ Connecting the individual in distress with the adult MCT provider in their area for intervention during MCT hours
  - ▶ Informing MCT provider of need to provide follow up services
  - ▶ If needed, direct connection to 911

Adult Crisis Telephone  
Intervention and Options  
Network

**WE ARE HERE FOR YOU**

# Adult Mobile Crisis

- ▶ Adults ages 18+
- ▶ 18 Mobile Crisis Teams throughout the State (currently daytime hours)
- ▶ Multidisciplinary team
- ▶ Person-centered response
- ▶ Telephone support
- ▶ Mobile community response
- ▶ Access to a continuum of crisis response services including, mobile clinical services, family, peer and community supports
- ▶ Outreach and Education, Risk assessment, Prevention and Postvention, Information and Referrals, and Follow-up Services

# What is Mobile Crisis Intervention Services (Mobile Crisis) for youth?

- ▶ Mobile Crisis Intervention Services (Mobile Crisis), formerly Emergency Mobile Psychiatric Services - EMPS, is the same service just with a new name.
- ▶ Mobile Crisis is a state-wide, community based and family supportive clinical intervention service for children & adolescents experiencing a behavioral or mental health crisis.
- ▶ Mobile Crisis provides rapid emergency crisis stabilization for children and their families as well as short-term follow-up care and connection to other services.

**Mobile Crisis  
Intervention Services  
for Youth**

Dial 2-1-1 or Visit [empst.org](http://empst.org).

# Who Can Receive Mobile Crisis Services?

- ▶ Mobile Crisis is available to all Connecticut children and youth ages 17 or younger in a mental health or behavioral crisis (can serve 18 and older if still enrolled in high school).
- ▶ Mobile Crisis is available for children in crisis, even if they are already receiving community based mental/behavioral health services such as individual or family therapy, day treatment, etc.
- ▶ Anyone can call for Mobile Crisis services on behalf of a child or youth with a mental or behavioral health crisis.

# Where are Mobile Crisis Services Provided?

- ▶ Mobile Crisis comes to the child, during mobile hours
- ▶ A child can receive Mobile Crisis services in:
  - ▶ Their home
  - ▶ At school
  - ▶ At their doctor's office
  - ▶ In the Emergency Department (ED)
  - ▶ Any other community setting
- ▶ Residential Treatment Centers, Sub-Acute Units or Inpatient Units are not served by Mobile Crisis given their in-house clinical services.
- ▶ During COVID- Some modifications

# How/When is Mobile Crisis Available?

- ▶ Calls can be made to the Mobile Crisis 211 Call Center any time of day and any day of the week, weekends and holidays included (24/7, 365).
  - ▶ Call 211, then press 1 and 1 again when prompted
- ▶ Mobile Crisis “Mobile Hours” are currently:
  - ▶ 6 AM to 10 PM, Monday through Friday
  - ▶ 1 PM to 10 PM on weekends and holidays
  - ▶ During these times trained mental health clinicians are available to go to the child’s location for a face to face evaluation within 45 minutes. All children will be screened for COVID-19 symptoms prior to an in-person response.

# When to Call 211(988 in future)?

## ▶ Call 211 for Mobile Crisis when:

- ▶ You are considering going to or sending a person to the Emergency Department for a mental health evaluation.
- ▶ You can't reach the person's mental health service provider during a crisis.

## ▶ Call 211 for Mobile Crisis when:

- ▶ You have already called the police, but need mental health support as well. Calling the police does not exclude a Mobile Crisis response.
- ▶ Mobile crisis can respond to a situation with police assistance or after police have stabilized a situation.

## ▶ Call when any age person:

- ▶ Threatens or is at risk for suicide
- ▶ Threatens or is at risk for violence
- ▶ Has been victimized/traumatized
- ▶ Is in harms way without immediate assistance
- ▶ Is behaviorally "acting out" or out of control
- ▶ Is in emotional or mental distress and/or uncommunicative
- ▶ Is depressed and you are worried
- ▶ Is having any other behavioral health crisis

# When to Call 911 for Police or Ambulance?

## ▶ Call when:

- ▶ The person needs immediate police intervention (**weapons involved, serious assault, etc.**)
- ▶ The person needs immediate medical attention (**overdosed, currently intoxicated, seriously injured, or at immediate risk of suicide attempt, etc.**)
- ▶ Mobile crisis can respond to a situation with police assistance or after police have stabilized a situation. Calling the police *does not exclude* a mobile crisis response.

# CT Adult Serving Crisis Support and Care System Resources

## 9-8-8 Call/Text/Chat (other call center contacts)- Emergency Department or alternative BH crisis assessment- Mobile Crisis Response-

- ▶ Home/community with "crisis safety plan" and commitment to safety
- ▶ Home/community with crisis safety plan with peer-support from family/friend/faith-based representative etc.
- ▶ Home/community with crisis safety plan with peer support from professional peer support program (e.g. CCAR, Advocacy Unlimited, NAMI-CT, etc.)
- ▶ Home/community with crisis safety plan and support for family/friend
- ▶ Home/community with crisis safety plan with a community-based provider (e.g. outpatient clinician, etc.)
- ▶ Alternative home family/friend/faith-based
- ▶ State Hospital (CVH)
- ▶ In-Patient Psychiatric care
- ▶ Short-term residential (or respite or crisis stabilization) treatment (usually 1-14 days, e.g. Crisis Respite)
- ▶ Residential programs (e.g. intensive residential program, group home, supervised apartments)
- ▶ Alternative home family/friend/faith-based
- ▶ Home with community-based services (e.g. Community Support Program, Assertive Community Treatment, etc.)

# CT Child Serving Crisis Support and Care System Resources

9-8-8 Call/Text/Chat (other call center contacts)-  
Emergency Department or alternative BH crisis assessment-  
Mobile Crisis Response-

- ▶ Home/community with "crisis safety plan" and caregiver commitment to safety
- ▶ Home/community with crisis safety plan with caregiver-peer-support from family/friend/faith-based representative etc.

- ▶ Short-term residential (or respite or crisis stabilization) treatment (usually 1-14 days, e.g. SFIT)
- ▶ Alternative community setting (e.g. group home)
- ▶ Alternative home family/friend/faith-based
- ▶ Home with community-based services (e.g. intensive in-home, Care Coordination, etc.)

# What are the key components of the 988 Planning Grant?

## 8 Core 9-8-8 Planning and Implementation Considerations

- 24/7 coverage (calls, chats and text)
- Financial stability of services
- Capacity building to ensure high volume coverage
- Operational, clinical and performance standards
- Multi-stakeholder coalition
- Linkage to resource/referral and local crisis services (911 & MCS)
- Follow-up services provided for 988 users
- Consistency in public messaging
