

FY2026 CoC Program Competition

Local Competition Results Notification – posted 9/22/26

The Connecticut Balance of State (CT BOS) Continuum of Care has completed its local project review and ranking process for the FY2026 CoC Program Competition. This notice provides each project applicant with the outcome of that review, consistent with HUD's requirement that CoCs notify applicants of their project status (accepted, rejected, or reduced) in writing, outside of e-snaps.

Please note that acceptance of a project application in CT BOS's local rating and ranking process does not guarantee that the project will be funded by HUD.

Projects Not Moving Forward: Full Reallocation

No project applications were rejected in this year's local competition. Projects were fully reallocated (identified as Fully Reallocated below) for one of three reasons:

- A number of previously funded projects' funds are being fully reallocated and submitted to HUD as a transition grant application, to redirect those resources toward newly prioritized project types. These projects did not submit project applications under their current component type, and rather submitted transition grant applications.
- Another group of previously funded projects are being fully reallocated to a new Supportive Services Only (SSO) project that will provide supportive services to help people experiencing homelessness across the CoC to increase income, and obtain and maintain permanent housing.
- Other projects chose to voluntarily reallocate their funds – redirecting those resources to new projects prioritized within the CoC.

Projects with Reduced Funding

Some accepted projects received reduced funding this year, for one of two reasons:

- Renewal projects: Several accepted renewal projects received reduced funding this year. The reason funding has been reduced is to redirect the funds to a new Supportive Services Only (SSO) project that will provide supportive services to help people experiencing homelessness across the CoC to increase income, and obtain and maintain permanent housing. These projects are identified below as "Accepted – Reduced Funding."
- New projects: Several accepted new projects received reduced funding because their submitted budgets were corrected to comply with CT BOS CoC and HUD competition requirements – for example, maintaining allowable CoC project costs. These projects are identified below as "Accepted – Reduced Funding†."

FY2026 Local Competition Results

Projects are listed in rank order as determined through the CT BOS local competition scoring and review process and adopted by the CT BOS Steering Committee.

Rank	Applicant Organization	Project Name	Outcome
1	CT Department of Mental Health and Addiction Services	CT0012 New Haven Lucht Hall	Accepted – Full Funding
