Grantee Monitoring Tool & Guide Overview

IMPORTANT NOTE: This guide was compiled as a resource for Connecticut Balance of State Continuum of Care (CT BOS) & statewide Connecticut Department of Mental Health and Addiction Services (DMHAS) CoC Rental Assistance projects. It is based on the HUD CPD Monitoring Handbook 6509.2 REV7, & DMHAS & CT BOS Policies. This guide contains the monitoring standards determined to be the most significant and relevant for the types of CoC projects monitored by CTBOS and DMHAS. Additional areas may be reviewed by HUD during monitoring. For a complete listing of all HUD monitoring standards see:

https://www.hud.gov/program_offices/administration/hudclips/handbooks/cpd/6509.2

This guide includes requirements established by DMHAS, the Connecticut Department of Housing (DOH) and CT BOS that apply to Permanent Supportive Housing and Rapid Rehousing as specified in the CT PSH and RRH Requirements and Operations Guides. Both Guides are available on the [Resources Page](#) of the CT BOS website.

This guide also includes requirements established by CT BOS. These requirements only apply to CT BOS projects. For CT BOS Policies, CT CAN Policies, and a range of resources and tools to help support compliance with HUD, DOH, DMHAS, & CT BOS requirements see the [Policies Page](#) and the [Resources Page](#) of the CT BOS website.

For Joint Transitional Housing (TH)/Rapid Rehousing (RRH) projects, the monitoring standards included in this guide for TH are applicable to the TH component and the standards for RRH are applicable to the RRH component.
