Process Notes
Laurie is the point person. Staff can also call the main number and ask for mobile crisis - 203-551-7400
Felice is the point person. Staff can also call the main number -203-388-1600
Alinette is the point person. Staff can also call the main number and ask for the HOT team - 203-579-7300
Folks can call Geanine at 203-974-7034 as a first contact. Staff could also call James Adu (james.adu@ct.gov) at 860-969-7063. Some folks may not have a phone so they can walk into MCI M-F regular business hours. If folks would like to do this on a Saturday, James can also arrange that through a contracted LCSW with Liberty Community Services. Note that the latter is of no cost to the client – the LCSW bills the client’s insurance, and client funds is available for folks without insurance.
Courtney, as well as the CIT clinician are trained, as well as mobile crisis clinicians
In partnership with homeless outreach, shelter, soup kitchens and other regional providers, a licensed clinician will provide the verification of a disabling condition by completing and signing the form. If client is connected to an existing DMHAS-funded or non-DMHAS funded clinical provider, a licensed clinician from that organization may complete and sign the form.
Staff can refer clients to Walk-Ins, or Mobile Crisis (phone number is for mobile crisis) - Mark Meola is

Bridget is the point person.

This contact will change once we hire a Supervising Clinician for Outpatient Services who will be the designated contact for this situation. When this update happens, this will change!

The number for mobile crisis – 860-482-1560
